Storytelling Time

Step 1: Look back at your list. Choose one idea that you would like to turn into a story.

Step 2: Develop your story. Use the following questions to help you think of ideas:

1. Who dropped the flowers?
2. What was happening in this person's life before he/she dropped the flowers?
3. How was he/she feeling on that day? Why?
4. What caused the flowers to drop?
5. What happened after the flowers dropped?
6. How did his/her feelings change after dropping the flowers?

Step 3: Use your answers to write a short story.
